Preschool Inclusion Program 2018-19 Application Information Cover Letter

Dear Parent/Guardian:

The Harrison Township School District will be offering four preschool inclusion programs for the 2018-2019 school year, two morning sessions for three-year-old children and two afternoon sessions for four-year-old children. The Preschool Inclusion Program will provide our population of children with special needs the opportunity to be educated in the least restrictive environment along with their typically developing peers. The classes will be held at the Harrison Township Elementary School.

The morning classes of three-year-old children will be comprised of up to fourteen (14) three-year-old children. The ratio of typically developing three-year-old children to students with special needs will not exceed 6 to 8. This is a half-day program five days a week with a morning session from 8:30 - 11:00 a.m. **Children must have attained the age of 3 years, but will not attain the age of 4 years, on or before October 1, 2018 to apply.**

Each afternoon class of four-year-old children will be comprised of approximately 18 four-year-old children. The ratio of typically developing four-year-old children to students with special needs will not exceed 10 to 8. This is a half-day program five days a week with an afternoon session from 12:30 - 3:00 p.m. **Children must have attained the age of 4 years, but will not attain the age of 5 years, on or before October 1, 2018 to apply.**

Children must be toilet trained, have up-to-date immunizations and should have age-appropriate skills in all areas of development. No transportation or child-care will be provided for typical children.
